Warm weather reminder

With the sunshine making a regular appearance, we kindly ask parents and carers to :

- **Provide a named sunhat for your child each day**
- **Ensure your child arrives in weather appropriate clothing for outdoor play.**
- **Staff will be applying nursery suncream throughout the day to keep children protected from the sun.**

Upcoming national dates in may we'll be celebrating ...

1st may- National space day; The children will explore space themed activities which will develop their early science skills looking through rockets, planets and stars

7th May- Childrens mental health awareness day ; We'll be focusing on feelings, friendships, and wellbeing through stories, calm activities and ways that children can express themselves.

20th May- National bee day- A lovely opportunity to learn about nature and why bees are so important to us; through outdoor play and focused activities.

Term Focus:

Baby Moons and Teenie Moons- We are focusing on single words this term, encouraging and building confidence with our communication using flashcards, reading a range of stories and having clear conversations with staff and peers repeating lots of single words.

Mini Moons – The mini moons are focusing on their fine motor skills under the domain me by threading through a range of different objects strengthening their pincer grasp.

Full Moons – We are still welcoming new children into our rooms so working on creating bonds and sharing. We are also focusing on emotions this term relating to the colour monster, reading stories and having lots of circle time activities hearing the child's voice.
